Mid-Season Aeration Works!

In order to keep our greens in great shape, they have to be aerated. This procedure is performed annually at the end of June.

With the warm weather, the greens heal much faster, and the whole process is much more efficient.

While we know the greens won't be perfect during that time (about 2 weeks), we look forward to them being in great condition the rest of the season!

Club Championship

Dane Newville won the A-Flight with 156, and **Pete Paczesny** won the B-Flight with a 175!

For the 4th time, **Jordan Osowski** earned the title of Ladies Champion! Her 2-round total of 165 outpaced 2nd place golfer, **Holly Rehberg**, by 12 strokes.
