From the Birdhouse...

The off-season & holidays are a great time to relax, refresh, and begin preparing for the new year & golf season ahead! For us, that means putting all the pieces in place in order to provide you with the best experience possible.

The first piece of the puzzle is having a great staff. With that in mind, we would like to introduce you to our new Assistant Professional, Wyatt Grillo. He comes to us from two years as a caddie at Erin Hills, as well as some time at the Wisconsin Country Club in Milwaukee. We look forward to Wyatt helping us look at things with a fresh perspective and implement new ideas in the months to come. Wyatt is currently working towards full PGA Professional status, and will be directing our Junior Golf programs & short-game clinics. He will also be providing private lessons by appointment during the golf season.

We're excitedly looking forward to the upcoming season and helping you enjoy rounds of golf with family & friends.

Our Party/Meeting Room is spacious and inviting. The observatory and balcony, overlooking hole 18, offer 180° views of the course and surrounding countryside all year.
